

Education, Scholarships, Apprenticeship and Youth Entrepreneurship programme

Programme Objectives

- Overall objectives of the Norwegian and EEA Financial Mechanism 2014-2021 are to contribute to reducing economic and social disparities in the European Economic Area, and to strengthen bilateral relations between the Republic of Slovenia and the Donor States.
- The Education programme aims to enhance human capital and knowledge base.
- The objective shall be achieved by promoting institutional cooperation at all levels of formal and informal education, by improving the supportive environment for targeted disadvantaged groups and by improving work-life balance.
- The programme puts a special emphasis on promoting active cooperation between institutions from the participating countries.
